## Recognition in Corporate and Higher Education Sector

See <http://www.cambridgeenglish.org/why-cambridge-english/global-recognition>

Cambridge English qualifications are accepted by thousands of universities, employers and governments globally. The exams are also accepted by professional bodies, immigration authorities and other government agencies.

They can open doors to higher education, improve job prospects and, because the qualifications are so well-known globally, increase mobility.

The list below shows examples of organisations which accept or use one or more Cambridge English qualification.
