# TOEFL® Test Day

You've practiced hard and now you are ready for your big day. Here is some information to prepare you for the testing experience.

## 2 Days Before Your Test

- **Log in to your TOEFL online account** and check your Registration Confirmation, just in case a change of time or location was made at your test center.
- **Be sure you have valid identification (ID)** to bring with you. The ID you bring to the test center **must** match the name you used when you registered.

## Test Day!

- **The TOEFL test is four hours long** with a 10-minute break — make sure you eat a good breakfast and good luck!

## At the Test Center

- **Arrive at the test center at least 30 minutes early.** If you're late, you won't be able to take the test!
- **You must present an acceptable and valid ID.** The name on your ID **must** match the name you used when you registered for the test.
- **Your picture will be taken and displayed** at your testing station and on your official score report. You will also have to provide handwriting and signature samples.
- **You will be assigned a seat** a few minutes before your start time.
- **No mobile phones, personal items or food** are allowed in the testing room. For other restrictions, check the website at [http://www.ets.org/toefl/ibt/test\\_day/policies/](http://www.ets.org/toefl/ibt/test_day/policies/).
- **You can use the restroom at any time**, but remember — the test clock does not stop when you leave your seat.
